Note: This recommended program lists suggested timings for the core & elective units which will allow students to meet the degree requirements in 3 years. However, students may choose other timings based on their individual circumstances and needs. The elective units can be any units offered at Macquarie, as long as the "prerequisites" of that unit are met (check the Undergraduate Handbook). Below are some suggested electives that are related to HRM:

Area of study	200 level		300 level	
	Semester 1	Semester 2	Semester 1	Semester 2
Sociology		SOC234 Methods of Social Research (4cp)		SOC372 Human Services: Organisations, Structures and Policy (4cp)
